THE BRAND'S NAME MAURON MUSY IS COMPRISED OF TWO SECOND NAMES. CHRISTOPHE MUSY AND ERIC MAURON MET AS COLLEAGUES AND BECAME SOMETHING MORE IMPORTANT. TODAY THEY ARE A MANUFACTURE AND A FAMILY, A FATHER-IN-LAW AND A SON-IN-LAW. THEY SPENT 2 YEARS WORKING ON A UNIQUE TECHNOLOGY WHICH HAS NO RIVALS ON THE MARKET. IN 2016 NEW ARMURE COLLECTION WAS PRESENTED AT BASELWORLD. 6 AVANT-GARDE WATCHES IN STEEL WERE MADE WITH A PERSONAL TOUCH AND MIRROR THE INDIVIDUALITY OF THE INDEPENDENT WATCHMAKERS.

MM
MAURON MUSY

- 11:00**
The nO-Ring® technology allowed to create the only waterproof watch featuring direct-seal gasket-free water-resistance
- 12:00**
Each Mauron Musy watch is engraved with a serial number
- 13:00**
Thanks to nO-Ring® technology, Mauron Musy watches require service only every 5 to 7 years.
- 14:00**
You can pull out the crown and wind even when underwater
- 15:00**
The case of Mauron Musy watches consists of 36 parts. All surfaces are hand finished. The craftsmanship is top-notch.
- 16:00**
Armure collection cases are 44 mm wide and 14 mm high
- 17:00**
Mauron Musy watches are powered by ETERNA, Calibre 39
- 18:00**
Calibre 39 is a very rare caliber which makes Mauron Musy watches a collector's dream
- 19:00**
The mechanism's power reserve is 65 hours, it makes 28,800 vibrations per hour (4 Hz) and features 30 jewels. The plate is decorated by Côtes de Genève motif.
- 20:00**
Mauron Musy watches functions include hours, minutes, seconds and date
- 21:00**
The dial of some of the models is decorated by Côtes de Genève motif which is traditionally used for Swiss manufacture movements
- 22:00**
The oscillating weight is decorated with an engraving
- 23:00**
Hands and hour markers are covered with SNL
- 24:00**

- 10:00**
All Armure watches cases are protected by nO-Ring® technology
- 9:00**
The watchmakers spent two years working on the unique nO-Ring® technology
- 8:00**
Christophe and Eric's working experience in watch industry exceeds 20 years
- 7:00**
Mauron Musy is an independent family watch manufacture
- 6:00**
Eric specialized in machining of mechanical parts, while Christophe joined the company as an intern. Professional relationship evolved into such strong friendship that Christophe married Eric's daughter.
- 5:00**
Eric and Christophe met at Régis Mauron SA a company that produces mechanical parts for Swiss watches
- 4:00**
Brand's co-founders, Christophe Musy and Eric Mauron are united by their love for innovation and minimalism
- 3:00**
Moreover, all components used for making the watches are also 100% manufactured in Switzerland
- 2:00**
All Mauron Musy watches are Swiss made
- 1:00**
Mauron Musy workshops are situated on the cliffs of Broye Valley, Switzerland.
